

It only takes a few steps* to set up an account to order or reload a large variety of Scrip cards anytime, anywhere. Choose either:

- Plastic gift cards: mailed to school with our weekly order, or
- eCards: accessible online or through email

Want eCards right away?

- Pay with Presto Pay (set up an account when you sign up for eCards) and have access to cards within minutes; or
- Select CHECK as the payment option, bring your check, cash or card to school; we'll release your order and your eCards will be available within minutes.
