Dear Friend of St. John's,

Whether it's developing a new relationship or building a new home, a strong foundation provides the overall stability for success. When it comes to education, it's no different. But St. John's Lutheran School is different. That's because, at St. John's, this strong start, this firm foundation is rooted in faith. *And faith makes all the difference.*

Consistent core values, starting with faith, provide the stepping stones for success in school and in life:

- **Faith.** Faith is the reason for our existence, and Jesus is integrated into all that we do. Ultimately, we want all students secure in their knowledge of eternal salvation.
- **Excellence.** At St. John's, we educate students with an unparalleled passion to help them grasp academic concepts and instill within them a desire to surpass the status quo. This excellence is apparent in academics, but affects attitude and behavior as well.
- **Partnership.** We realize that we cannot do this alone, which is why we take partnership with parents seriously. It is an ongoing understanding that teaching and learning takes a team.
- **Opportunity.** At St. John's, there are plenty of extra-curricular activities aimed at offering students the chance to explore their individual interests, both inside and outside the classroom.

It is our hope that all students have the opportunity to discover their academic strengths and individual talents, deepen their faith in Jesus, and develop a lifelong commitment to learning and service. And it is our prayer to make our school available to every child, not just the ones who can afford it. By investing in St. John's, you are investing in the next generation by helping us provide affordable, Christ-centered education to the children in our church and community. You are ensuring scholarship support for our students and day-to-day operational funding for our school.

We know that you share this passion because you've shown us in the past. Will you support us once again? Please find a response card included in this mailing, and prayerfully consider a tax-deductible donation. Many companies also offer matching contributions; if possible, please also explore leveraging your gift in this way.

We are so grateful for your support and sincerely thank you in advance for any assistance you can offer.

In Christ,

David Florine
School Principal

It is important to teach children from a young age about Jesus and build that foundation so they have it throughout their whole lives.

WHAT IS THE ST. JOHN'S FUND?

Since tuition covers only a part of the actual cost to educate each student at St. John's, the St. John's Fund was established to offset remaining expenses. It helps fund day-to-day operations of the school and ensures scholarship support for all students who wish to attend, not just the ones who can afford it.

Through this fund, all students will have access to the academic excellence that has become synonymous with St. John's.

St. John's Fund

Tuition only covers a portion of the actual cost to educate each student at St. John's. The St. John's Fund was established to offset the remaining expenses, allowing us to offer St. John's families the academic excellence they deserve at a price they can afford. Gifts to the St. John's Fund **support scholarships** and the **day-to-day mission** of the school.

Your support of St. John's Fund is our single greatest need.

We simply cannot do this without your support.

Thank you in advance for your generosity!
