In lieu of collecting diapers or food items (as in past years) during National Lutheran Schools Week, we ask all children in Preschool – Grade 8 to share JOY by doing random acts of kindness or service projects. These can be as simple as holding a door open for others, washing dishes, picking up trash, or writing a thank you note ... or something “big” like baking cookies for a neighbor, visiting a nursing home, shoveling snow, or helping at a food pantry or homeless shelter. Whatever it is, it should be something “extra” and something that shares JOY with others.

To help us celebrate our collective efforts, please post a pic and description of your child sharing JOY at

www.stjohnsarnold.org/joywall

Share the Joy! This is a public post; please post on our digital JOY WALL by Friday, February 7.
